## WANTS ROBBINS TO STAY WITH COMMITTEE

Resignation as Advisor Read. But no Action Regarding it Taken

EMPLOYMENT OF FIRM RATIFIED

Two Substitute Teachers are Appointed to Fill Out the School Years

The resignation of O. M. Robbins as a member of the advisory committee of the city board of education, received by the secretary about two weeks ago, was read at the meeting of the board of education last night, but nothing was done with it. President W. L. Duggan of the school board stated that he believed that Robbins ought to and would continue as an advisory committeeman, and Duggan thought that he and W. A. Zimmerman should be placed on the building committee as representing the advisory committee.

The school board passed a motion employing Attorneys Williams & Rutan to assist in the defense in the action brought by Robert McFadden to prevent the sale of the \$200,000 polytechnic high school bonds. These attorneys were employed at a meeting held last Tuesday evening, but as that meeting had not been regularly called, the action taken at that time was ratified by passing a similar motion at last night's meeting.

The resignation of Miss Runa Johnson as a teacher at Lincoln school was received, and Mrs. E. E. Clark was elected substitute to take her place for the remainder of the school year. Miss Johnson has had charge of a class of Spanish children. She resigns to go to Los Angeles, where she has been elected as a teacher.

Mrs. John Baker has been employed by the school board to teach the eighth grade of Washington school, to take the place of A. M. Davis, resigned.

The building and grounds committee was given authority to see that the fences at Washington school are repaired.

## ROOSEVELT LOOKED TO OUTLINE STAND IN COMING SPEECH

NEW YORK, Feb. 14.—Progressive leaders today announced that Col. Roosevelt will positively declare his stand on the presidential candidacy when he addresses the Ohio constitutional convention at Columbus, Wednesday, Feb. 21. He will then elucidate the platform that he will occupy, if he decides to run.

**GOV. JOHNSON NOT YET COMMITTED TO ROOSEVELT**  
NEW YORK, Feb. 14.—Col. Roosevelt's Columbus speech will not announce his candidacy but will outline the principles he believes the Republican candidate must endorse.

Gov. Hiram Johnson visited Roosevelt today. It was learned that Gov. Johnson has not yet committed his support to Roosevelt, but believes Roosevelt must take a decided progressive stand if he wants progressive support.

NEW YORK, Feb. 14.—A serious split between Col. Roosevelt and the progressive leaders grooming him for the presidency is impending according to reports from the Outlook office as a result of Roosevelt's disinclination to adopt a radically progressive stand in his address to the Ohio Constitutional Convention in Columbus next Wednesday. It is reported the hitch occurred over an endorsement of the trusts and a plea for less business hysteria which the Colonel threatened to incorporate in his speech.

The progressive leaders told Roosevelt such an utterance would cost him the nomination. The conference is continuing this afternoon and every effort is being used to persuade him to eliminate this feature of his speech.

## ARIZONA GARBS HERSELF IN STATEHOOD

People of New Commonwealth Greet Its Birth With Boisterous Rejoicing

GOV.-ELECT HUNT GIVES "GOLDEN RULE" PROMISE

Desert Celebrates—Distinguished Men Witness Hunt's Inauguration

WASHINGTON, Feb. 14.—President Taft this morning signed the proclamation announcing Arizona's statehood. He used a gold pen which he presented to Postmaster General Hitchcock.

The announcement that Retiring Governor Sloan of Arizona would be made federal judge for Arizona was received from President Taft today. Taft sent the following message to Governor Sloan:

"I congratulate the people of the newest commonwealth upon the realization of their long cherished ambition. I extend my best wishes for the retiring and incoming officials."

**ARIZONA BORDER SECTION WILD WITH JOY TODAY**

NOGALES, Ariz., Feb. 14.—All the border section was in bedlam, when word was flashed at nine o'clock this morning that President Taft had signed the statehood proclamation. A celebration will take place next Monday. The desert section is celebrating today.

**GLORIFICATION OVER ENTRY INTO UNION OF STATES**

PHOENIX, Feb. 14.—The ringing of bells, the screeching of whistles, cheers and impromptu parades marked the last few hours of Arizona's half century of life as a territory. By 11 o'clock thousands had gathered at the capitol steps awaiting the arrival of Governor-elect Hunt, who walked from the business section two miles away.

Members of the Arizona Federation of Labor worked throughout the morning building a stand for the governor to review the civic parade this afternoon.

One stand was built by non-union labor which Gov. Hunt refused to utilize. W. J. Bryan and Gov. Marshall of Indiana, were spectators of the inauguration.

**Gov. Hunt's Address**  
PHOENIX, Ariz., Feb. 14.—Declaring for a "Golden Rule" administration, and for Progressive Democratic policies, George W. P. Hunt, today was formally inaugurated the first governor of the State of Arizona. In his inaugural address delivered at the capitol, Governor Hunt said:

"Mr. Justice, Governor and Fellow Citizens: In the name of the sovereign people of Arizona who gave it, I accept the responsibility conferred upon me. There is neither thought nor desire in my mind to be known to posterity as Arizona's best governor, but rather the wish that Arizona and her governors hereafter elected shall continue to be progressive, and that my administration may encourage a constantly awakening public conscience."

"Arizona is progressive and Democratic, and my administration, in so far as my conduct can assure, shall be Democratic in the Jeffersonian sense that denotes equality, simplicity and unostentation. The office of the governor will be open every hour of every working day of the year, and many other hours."

After outlining his plans to make his administration one of strictly business principles, Governor Hunt said:

"In a subordinate sense I have tried to indicate that my administration will be a strictly business one in which the people's money shall be wisely used, waste prohibited, and graft wherever it may be found, exposed and punished; but I am far more anxious that it shall be known as a 'Golden Rule' administration, in which the rights of all classes shall have equal consideration."

The new governor closed his address with a promise of an opportunity for the people soon to decide upon the progressive principle of judicial recall which was eliminated from the constitution at the request of President Taft to secure its approval by the federal chief executive.

## CORNER SYCAMORE AND FOURTH SOLD AND MAY MEAN A BIG BUILDING

Santa Ana may soon have a new, big building, four, five or six stories high.

A deal is being consummated whereby W. A. Zimmerman, president of the Orange County Savings Bank, comes into possession of the north-east corner of West Fourth and Sycamore streets. Zimmerman buys from A. J. Visel the corner piece, 58 feet on Fourth and 50 feet on Sycamore, the ground floor of which is occupied by Turner Shoe Company, Shaffer's Music Store and J. G. Quick's office. From H. A. and Dina Czarke, Zimmerman buys a frontage of 100 feet on Sycamore street, adjoining the Visel lot on the north. The Czarke property is 125 feet deep. The consideration for the properties is about \$50,000. The properties together comprise an L-shaped piece with 150 feet frontage on Sycamore.

Zimmerman has not announced definite plans, but there is a likelihood that he will put up a building from four to six stories high. He has received an offer to lease the first three stories.

Zimmerman has invested many thousands of dollars in Santa Ana property in the last year, and this big deal in business property shows his undoubted confidence in the city's future.

**J. S. TAKES NO STEPS TO RECOGNIZE REPUBLIC**

WASHINGTON, Feb. 14.—The "China Republic" is the official name of the new Chinese republic. "China Republic" means Chinese.

Formal announcement of the passing of the Ta Ching dynasty, which has ruled China for about 300 years, and the erection of a modern republic on its ruins, was made at the State Department yesterday by the Chinese Legation, which supplied a copy of an official telegram from Peking to the following general effect:

"While a provisional government is being established, all ministers accredited to foreign governments shall act provisionally as diplomatic representatives and continue to perform their duties as heretofore."

All members of the legation staff and consular officers (in America) temporarily shall retain their present posts.

The State Department will instruct its officials in China to do business in a provisional way with Yuan Shi Kai in the north and President Sun in the south, until a complete fusion of the two elements is effected, when the regular government of all China will be duly recognized.

No steps have been taken by the United States toward a recognition of the new republic.

## MADERO WILL USE ALL LEGAL POWERS TO CRUSH REVOLUTION

NEW YORK, Feb. 14.—A positive declaration that he will suspend all constitutional guarantees if necessary to restore order in Mexico was contained today in a telegram to the United Press from President Madero. He affirms his belief that democratic government in Mexico is impossible, but declares he will exercise his constitutional right to prevent any further bloodshed unless the revolution ends immediately.

**RADICAL ACTION IS TAKEN IN 22 STATES**

MEXICO CITY, Feb. 14.—It is authoritatively announced that constitutional guarantees have already been withdrawn from twenty-two states. A general uprising is feared. Twenty-two rebels were killed and forty captured in an engagement at San Carlos.

## U. S. TELLS MEXICANS OF FRIENDLY FEELING

WASHINGTON, Feb. 14.—Realizing the danger to American residents in Mexico on account of erroneous press reports telling of proposed intervention by the United States, the State Department yesterday addressed a circular letter to its diplomats and consular representatives in Mexico, denying all "foolish stories" about American intervention and expressing the good will and sincere friendship of the United States government for Mexico.

The American representatives in Mexico have been instructed to circulate the note in the press and to use every means to get the denial before the populace.

## JARROW UNJUSTLY TREATED BY STATE SAYS EARL ROGERS

LOS ANGELES, Feb. 14.—Earl Rogers, counsel for Clarence Darrow, gave the district attorney's office a terrific grilling when Darrow appeared in court to have his trial date set by Department Ten of the Superior Court. He accused the district attorney's office of using unfair means in fighting Darrow, claiming the state was using "sleight of hand methods in juggling with the client's rights."

Rogers declared that the prosecution had furnished him with a transcript of testimony given before the grand jury by sixteen witnesses, when thirty-two had testified. He declared the indictment did not even point to Darrow in connection with any specific crime, saying the indictment does not show whether Darrow is "charged with a crime or John Doe with stealing a horse at Puente."

He further declared that the testimony of LeCompte Davis is omitted from the transcripts. The state then claimed that Davis had testified after the indictment had been voted. Rogers declared this to be false, and called Davis to the stand.

After ruling that the district attorney's office must furnish the Darrow defense a transcript of the evidence of LeCompte Davis before the grand jury, Judge Hutton continued the Darrow bribery case to February 23, when the trial will be set.

## PRESENCE OF MIND SAVES THEM

As House is Burning, Mrs. Charles Mason Rescues Sleeping Children

TRAMP PROBABLY STARTED FLAMES

Dwelling on East First Street Burned Down at 3 O'Clock This Morning

The presence of mind and quick action of Mrs. Charles Mason saved the life of her two children at 3:15 o'clock this morning when Charles Mason's house at 521 East First street was destroyed by fire. The fire was started probably by a tramp, believed to have crawled under the house to sleep.

The house stood about three feet above the ground. Two or three days ago, Mrs. Mason and her oldest boy, Clarence, aged 6, stored a quantity of eucalyptus leaves for kindling, under the house. These leaves were about half-dried, but it seems impossible that any fire started by children in the evening would have smoldered for several hours before breaking into the flame that went through the floor of the house.

Mason was at Long Beach at work on a carpentry job. Mrs. Mason had planned to take a small wagon-load of household goods to the Mason ranch in Santiago canyon today. The wagon was loaded yesterday afternoon. The sewing machine and a few other articles were in the wagon. The Masons expected to move to the canyon for the summer, and had just spread the house with the expectation of renting it. Mrs. Mason was up until 11 or 12 o'clock with the oldest boy, getting ready for the start this morning. Mrs. Mason remembers that she heard a faint crackling of some kind under the house, and is now convinced that some one had crawled beneath the house to sleep. At the time she heard the noise she thought nothing of it.

The woman and the youngest boy, Wilbur, aged 2, slept in the south bedroom, and Clarence in the room adjoining on the north. About 3 o'clock, the woman was awakened by smoke. Fire had broken through the floor between the rooms, and the doorway between the rooms was barred by flames.

Mrs. Mason picked up Wilbur and the mattress on which he was asleep, and placed them close to the front door. She then ran around through the dining-room, and went to the room where Clarence was sound asleep. The flames were within two or three feet of the child's head. Mrs. Mason seized the boy by the legs and dragged him from bed, and hurried him back to the front room, where she picked up the still sleeping baby and a case of papers, and went into the front yard.

By this time the interior of the house was full of fire, but shutting her eyes and holding her breath, the woman dragged a baby-buggy and lounge through the front door, and then she ran to the back door and pulled out a bicycle. She could do no more.

By this time an alarm of fire had been sent in, and the firemen were on the way. A stream was turned on the fire, but it was too late to save the house, which burned to the ground.

Mrs. Mason estimates that the five-room house was worth \$700 or \$800, and the furniture burned \$150 to \$200. She said that the house had been insured, but she did not know whether or not the insurance had run out.

PERPLEXED AS TO WHAT TO DO WITH FILM OF SIGNING

### DRIED FRUIT MEN BRING GOOD CHEER TO APRICOT MEN

The directors of the Orange County Dried Fruit Association had the pleasure yesterday of meeting two of their Eastern representatives at the office of the packing house. These gentlemen, one of whom is Mr. R. M. Tucker, who lives in the Santa Clara valley, and the other Mr. O'Brien of Minneapolis, are investigating California fruit crop conditions. They were much pleased with the goods they found here and declared that they were a better lot than they had looked for, and superior to this year's apricots of the northern counties.

The directors were assured that there would be no trouble in moving the entire crop. The season for actual demand in the district represented by these gentlemen is from February until the middle of June, and the heaviest demand comes in the latter two months. The fruit in the Santa Clara valley is practically cleaned up and will cut little figure in the market. Ventura and Orange counties are practically the only holders of cots and the associations very nearly control the balance of the supply. Ventura has moved over one-half. The local association is loading its sixth car today. Mr. O'Brien thinks that with the short supply on hand and the season of actual demand practically all in front, the associations may be compelled to advance their price.

The fruit retails at from 20 to 25 cents per pound, and in some fancy stores perhaps 30 cents. This is about the same every year, no matter what price you may get. The people will not stop eating apricots this year," said he.

Incidentally these gentlemen showed considerable interest in the walnut situation.

Last week Mr. Chas. Corby and Mr. Thos. J. Cobb of the Corby Commission Co. of New York, and the Corby & Cobb Co. of Philadelphia, visited here on a similar mission, and carried away with them a good impression of the local goods, leaving an order with the secretary, and good cheer in the hearts of the directors.

### COTTAGES BUILT AT HOT SPRINGS

Supervisor Leck and his associates in the San Juan Hot Springs County have more than made good their announcement of last summer when they leased the springs. They have built eight neat cottages and a dining-room, and have renovated the bath-houses and fitted the place up for the accommodation of the public. The springs are available the year around for those seeking rest and the curative effects of the water and baths that have made the springs widely known. Arrangements have been made for meeting trains at San Juan Capistrano on Saturdays and Tuesdays, at 11 a. m. with a stage for passengers to the springs, which are situated in one of the prettiest canyons of Southern California.

### VAPOR TREATMENT

For Catarrh, Colds, Coughs, Sore Throat and Bronchitis

Everyone knows that breathing HYOMEI a few times a day through the little hard rubber pocket inhaler will in a short time drive out catarrh. Many people regularly use the vapor treatment at night in conjunction with the inhaler, claiming that it hastens results.

This is the vapor treatment: Into a bowl three quarters full of boiling water pour a scant teaspoonful of HYOMEI, cover the head and bowl with a towel and breathe for five minutes the soothing, healing, antiseptic HYOMEI vapor. Try it when using HYOMEI for any nose or throat ailment.

HYOMEI is guaranteed by The Rowley Drug Company to put an end to catarrh, or money back. A bottle of HYOMEI costs 50 cents; a complete outfit, which includes inhaler, \$1.00.

dates are alert with feverish excitement. It is going to be a race to the Royal Throne effervescent with activity every step of the way. The clamoring for first place each day as the contest progresses, and at the same time is drawing to a close, tells the story in a nutshell of a battle for ballots that the merry can-

didates have waged and the do-or-die spirit with which each of them is forging nearer and nearer to the final goal.

### Boost Your Favorite

Those who are not in this heavy struggle for ballots do not understand how much a candidate appreciates it when she meets some one who presents her with a subscription or a ballot for several thousand votes. She will speak of this remembrance for months and she won't forget it during her natural

Miss Lillian Yaeger, Santa Ana

life time. She'll always regard that person as one of her truest friends. A certain candidate has said, "I never thought the people here would be so kind to me when I entered this race." There isn't a candidate in the contest that does not feel the same way. If there is any little past favor or reciprocation that you owe to a candidate in this race; if you ever felt that you would like to have the time come when you could do something for some one that may be in this good-natured hurry for votes, the opportunity for reciprocation is here.

The debt of reciprocation can be paid, and the favor that you would like to do can be done by sending this person your subscription.

Rest assured when she drops the votes in the ballot box this will be her thought: "This is a token of friendship never to be forgotten."

And don't imagine that your votes will be wasted, whomsoever you vote for. There isn't a candidate in the ROLL OF HONOR who is not as confident as any of the others; and there isn't one in the race that has not as good a chance as the other. Don't think because your favorite is not at the head of the list that she is not strictly in it for the \$1400.00 E-M-F Touring Car. You give her the votes and she'll manage her campaign.

Now, another thing—DON'T FAIL TO GET YOUR SUBSCRIPTION IN BEFORE SATURDAY NIGHT, FEBRUARY 17TH, so that she will get the benefit of TRIPLE VOTES. Don't put off subscribing until the last minute of the contest, March 16th. Do it NOW, while votes are tripled. Send in your subscription by remittance or otherwise, and we will see that she gets the votes with your compliments.

## FRANCES WILLARD MEMORIAL MEETING

White Ribbons Paid Tribute to  
Great W. C. T. U. Leader  
in Fine Program

The Santa Ana W.C.T.U. held the annual Willard Memorial meeting yesterday afternoon at the home of Mrs. John McFadden, 906 North Main street. The parlors were filled with members and friends of the union, with the president, Mrs. Lea Warren, in the chair. Mrs. W. L. C. Samson conducted a very earnest devotional service. Rev. Francis Moody, field secretary of the Anti-Divorce Law League, gave a short address, stating the conditions of the divorce law in California and urging reform measures to reach these conditions.

The Frances Willard Memorial program was in charge of Mrs. S. H. Finley, and was opened by Mrs. Dr. Raugh, who read a biographical sketch of Frances Willard, and an article by Elizabeth Gordon on "Frances Willard as I Knew Her."

Pen sketches of Frances Willard were read by the members. Mrs. Tillotson read a poem on Frances E. Willard, and in the absence of Miss Waxter, also read a paper on "The Red Men and Christian Citizenship." Mrs. Williams, in a very interesting story, told of the W.C.T.U. work among the colored people. Mrs. Nickell gave a pen picture sketch of Frances Willard.

In closing the program Mrs. Mills explained the Frances Willard Memorial fund, and how the fund is used. The offering taken for that fund amounted to \$5.

One of the pleasant features of the afternoon was a piano duet by Flora McFadden and Carolyn Finley.

The Orange County W.C.T.U. executive committee will meet on Tuesday, Feb. 20, in Huntington Beach, at 10 a.m. Everyone is invited to attend this meeting.

The next meeting of the local W.C.T.U. will be held at the home of Mrs. Frank McElree, near the corner of Sixth and Ross streets, on Tuesday, Feb. 27. The subject will be "Co-operation With Our Teachers." Mrs. McElree requests that the meeting open at 2 p.m. instead of 2:30, as a special program has been arranged.

### FRANCES E. WILLARD

Behold, a dreamer cometh? Yes, a seer!

One who in vision rapt foresaw this wide,  
God-smitten earth borne on resistless tide  
Of spirit force to the golden year,  
A world transfigured to a luminous sphere.

By sun-bright deeds and natures glorified;  
A home-like world, so fair it may abide  
His coming—the heart searches—without fear.

A dreamer? Yes; but, ah! a doer, too.  
Jeanne D'Arc of later time and fairer fame.  
In moral realms she conquered, to the Blue  
Her soul unfettered rose, mid loud acclaim.

To lead a mighty host to see and do,  
Sang angel chorus, "Behold, this Dreamer came."

## BREAKS UP A COLD IN SEVERAL HOURS

### An Effective Way to Cure a Bad Cold and End Grippe Misery

There is not one grain of quinine in Pape's Cold Compound, which, when taken every two hours, until three consecutive doses are taken, will surely end the grippe and break up the most severe cold, either in the head, chest, back, stomach or limbs. It promptly relieves the most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, sore throat, running of the nose, catarrhal affections, soreness, stiffness and rheumatic twinges.

Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousand dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

The Y. M. C. A. had a fine meeting last Wednesday, with inspiring talks from Rev. J. H. Scott and Dr. J. F. Doyle. With the speakers for this evening we are expecting a splendid time.

**HEALTH RESORTS AND INFECTION**

Among the public the idea is occasionally found that cities or communities frequented by tuberculous persons present conditions favorable for the infection of the well. While it was difficult to secure conclusive evidence to prove the error of the assumption referred to, yet a study of the question would indicate that casual contact and house infection were of relatively slight importance, and that if the presence of a large number of "open cases" were a factor of great importance in spreading tuberculosis, there should be some correlation between the death-rate of imported and acquired cases in the various communities. None of the states except Arizona classifies separately the deaths from imported cases and those from locally acquired tuberculosis. It is found that in Denver, which also makes this distinction in classifying these deaths, the death-rate from locally acquired tuberculosis, while it fluctuates somewhat, is low and is certainly not increasing. California also classifies these deaths according to length of residence and while the line cannot be distinctly drawn between imported and locally acquired cases, yet the conclusion is that the death-rate from tuberculosis is no higher in Southern California, which receives most of the imported cases, than it is in the central and northern portions of the state. The abundance of sunshine, which quickly destroys the germ, and the possibility of outdoor life in most of these communities together with the supervision exercised by physicians over this class of patients and the instruction given them as to the spread of infection and adoption of correct hygienic measures, make these communities as safe for the general public as the communities less favored by climate. The Journal of the American Medical Association says that tuberculosis is notoriously a disease dependent upon poverty, malnutrition, dust, bad air and bad housing, these conditions in the closely populated industrial centers with less supervision over the cases really afford much greater opportunity for the spread of this infection than the presence of many open, but supervised cases, as in the health resort communities.

**WHEN THE HEN EMBALMS HER EGGS**

Appropos of a recent discovery commented on in The Journal of the American Medical Association, to the effect that antiseptics, given in the chickens' food, affect the egg, we wonder what Dr. Wiley will do with a hen that embalms her own eggs. By the aid of science, it seems, she can now do it, and from what we know of this perverse fowl, we fear that she will do it. Such a discovery as this can scarcely elude the grasp of the astute poultry producer and egg embalmer. Will it be applied practically, and, if so, will its effects be pernicious or beneficent? Shall we be poisoned by both the ham and the eggs, or will it now become possible for every farmer to stock his own storage warehouse and hold down the winter prices on hen fruit?

The Ontario Report is conducting a voting presidential primary along the same lines as the one in the Register and the vote in that city is as strong for Roosevelt as in Orange county. The latest figures published in the report are: Roosevelt 131, Taft 88, and La Follette 51.

**OLD CHURCH IS MOVED**

Presbyterian Congregation of Orange Will Erect New Edifice  
ORANGE, Feb. 14.—In about two weeks the oldest church building at present in Orange will be moved back to make room for a successor in the form of one of the handsomest church structures in the county. Plans for the new Presbyterian church have been accepted, and it is expected that work on the new building will actually begin in about two months. The completed structure will be as handsome an accession to the church buildings of Orange as could be desired. It will be located on the site of the present building. The present church is thirty years old, and is said to have been the second church building built in Orange.

WASHINGTON, Feb. 14.—Henry N. **RAILROADS GIVE OUT \$1 RATE FOR LEMONS ON COAST**

Los Angeles Tribune: Conforming to the order of the interstate commission, establishing a \$1 rate for lemons, which was a few days ago upheld by the commerce court, the railroads yesterday announced that the new rate will become effective February 15.

This news is taken as definite announcement on the part of the roads to abide by the rebuff of the commerce court in refusing an injunction against the rates a few days ago.

Establishment of the dollar rate on lemons brings to an end one of the bitterest rate fights ever carried on between California shippers and the railroads. The battle originated more than a year ago. It was favorably acted on by the interstate commerce commission. The roads then appealed to the commerce court, which body granted the injunction asked for, and the commission again had to hear the case. At the second hearing it reaffirmed its original order calling for the \$1 rate, and when the railroads took the matter again to the commerce court an injunction was refused.

**LEG IS BROKEN BY HORSE KICK**

FULLERTON, Feb. 14.—C. M. Asher, employed by the Fullerton Meat & Grocery Co., suffered a double fracture of the right leg last evening, when the horse he was driving kicked him when he was sitting in the seat. After having broken Asher's leg, the horse ran away, and threw young Asher from the wagon. He was picked up and taken to the Fullerton Hospital, next door.

Young Asher was out delivering and was returning to the store. As another buggy approached at the corner, Asher stopped his horse to see which way it was going to turn. When he started again the horse he was driving balked. He whipped it to start it, and the horse, which is a vicious animal, kicked him while he was sitting in the wagon. The blow from the horse's hoof was so bad that it fractured his leg in two places, and it was necessary for the doctor to put silver screws in the pieces to hold them together.

When his leg was broken, Asher dropped the lines and the horse ran. Young Asher's people live in Oregon. He is now at the Fullerton Hospital under the care of Dr. Lang. Drs. Hall and Clark of Fullerton were called in to help set the leg.

## Doings In Social and Club Circles

**At the Nisson Home**  
Mr. and Mrs. M. Nisson last night entertained with a pleasant five-course valentine dinner in honor of relatives of Mr. and Mrs. W. F. Lutz, visiting here from Chicago and Cincinnati. Covers were laid for fourteen, and violets were in table decorations.

**For Miss Greenbauer**  
Misses Ely and Michod were hostesses last night at a pretty birthday party for Miss Louise Greenbauer at the apartments of these three charming teachers in the Bristol home on Spurgeon street. A red and white color scheme prevailed in the refreshments, which included a handsome birthday cake. Those enjoying the pleasant evening besides the hostesses and the guest of honor, were Misses Wyant, Thompson, Arnoldy and Taylor of the high school; Misses Faith Shaw, Marie Snure, Louise Grouard, Thirza Marrs.

**Entertained Philatheas**  
Kate Kelley of South Main street, was hostess to the Philatheas class of the First Presbyterian church last evening. Business came first, in a very small dose, and pleasure afterward. Refreshments suggestive of the valentine season were served by Miss Kelley, assisted by Miss Florence Doig, at the close of the evening. A splendid time was reported by those present.

**Miss Medlock's Luncheon**  
A charming one o'clock luncheon with Miss Velda Medlock as hostess was one of the pleasing social functions of yesterday. Covers were laid for twenty-two guests. Pink baskets massed with fragrant violets formed the major table decorations and tiny

Have you been thinking of studying music in the conservatory? Then you can better see our offer of last evening. We should be glad if we could make it five hundred.  
504½ N. Main St. Main 214

pink cups were used for nuts. A valentine motif was suggested in the ices, the heart-shaped cakes and mints.  
Varying the pleasures of the afternoon following the luncheon, vocal numbers were given by Miss Mary Wakeham and an instrumental duet was played by Mrs. Ray Stedman and Miss Medlock.

**Garden Grove "Y's"**  
The Garden Grove Y. P. B. met at the home of Miss Helen Schneider Friday evening with an attendance of twenty-five or more. The early part of the evening was devoted to the business, then followed a number of readings of different dates of Miss Willard's life. The program was as follows:  
Reading, "Miss Willard as a Child," Miss Elma Butler; "Miss Willard as a Student," Miss Edith Steele; "As a Traveler," Miss Reba Steele; "As a Reformer," Miss Lila Crane; "Miss Willard at Eighteen," by Miss Mildred Harper.  
Music and refreshments ended the evening's pleasure.

**Dinner Party**  
Mrs. E. B. Smith entertained last evening with a six-thirty o'clock dinner, her guests being Rev. and Mrs. J. A. Stevenson, Mr. and Mrs. J. W. Bishop, Mr. and Mrs. L. J. Carden, Mr. and Mrs. C. S. Kendall.  
Red carnations and hearts spoke of the valentine season, these being used in the table decorations. Dan Cupid's day was further brought to mind in the ices and cakes.

**Wedding Anniversary**  
Mr. and Mrs. Parke Roper celebrated their nineteenth wedding anniversary on Monday evening, their guests being the members of the Thursday Evening Whist Club, all of them being old friends of the Ropers. Jonquils that had been presented to the host and hostess were used in house decorations. Another presentation was a joint one from the club, a dozen silver butter spreaders being the gifts. Hiram Connell made the presentation address.  
Progressive whist was played, the first prizes going to Mr. and Mrs. W. A. Huff, and the consolations to Mr. and Mrs. J. R. Porter. Refreshments were served on individual tables. The guests were Messrs and Mesdames Hiram Connell, M. A. Yarnell, J. R. Porter, W. A. Huff, J. W. Carlyle, J. D. Thomas, Arthur Lyon.

**A Pleasant Surprise**  
As yesterday was Mr. Holzgraf's natal day his good wife planned a surprise for him which was successfully carried out.  
On arriving home from his business and entering the dining-room, he found a company awaiting him, and when asked to be seated in a beautiful

Morris chair, a gift from his children, he sank into the beautiful chair, bewildered.

He recovered, however, from his pleasant surprise, and after a jolly half-hour a three-course chicken dinner was served, with Mr. Holzgraf as the honored guest. The evening following was pleasantly spent, with conversation and games, and at a late hour all departed wishing Mr. Holzgraf many happy birthdays.  
Those present besides Mr. and Mrs. Holzgraf were Mr. and Mrs. Will Rohrs and children, Laurence Bertman, Miss Fannie Blackwood, Miss Alfreda Holzgraf, Mr. and Mrs. Tom Elsie, Harold and Homer Holzgraf.  
Mr. and Mrs. F. Holzgraf of Hemet were not able to be present on account of Mr. Holzgraf's business duties, but sent their father many "happy returns of the day."

### AMUSEMENTS

In "Alma, Where do You Live?" which is to be seen at the Grand Opera House Feb. 15, Mr. Joseph M. Weber, the producer of the American version, has secured one of the biggest hits in the field of musical comedy. So much of a success was it, in fact, that it ran for an entire season at the little theater at Broadway and Twenty-eighth street which bears his name. Originally a French vaudeville it found its way to America in the German and was given for many months at Adolph Philipp's Theater. It was then put into English at Mr. Weber's command by Mr. George V. Hobart, one of the best of the native adapters of French plays and proved to be an immediate success when given under the comedian manager's direction.

The company is headed by Miss Nanette Plack and Mr. Charles A. Murray—the former a pleasing prima donna, and the latter a well known comedian, who is widely known in all parts of the country. Another prominent member of the company is Aubrey Yates, the well known tenor.

### FOUND PIPES BUT NO OPIUM

Immigration Officers Think  
Local Chinese are Engaged  
in Illegal Traffic

ANAHEIM, Feb. 14.—Following a clue from the main immigration office in Los Angeles, Immigration Officer Fred C. Boden made a raid yesterday afternoon on the Chinese stores in this city. He was assisted by City Marshal Kallenberger and Deputy Phil German.

The Los Angeles authorities have got the opium smuggling trade pretty well confined, but as it has continued to go into that city they have decided that the opium was smuggled into Anaheim through Anaheim Landing. They believe that from Anaheim and other small cities along the coast, the opium is reshipped to Los Angeles to avoid detection.

As far as securing opium was concerned the raid yesterday afternoon was unsuccessful, yet there was no doubt in the officers' minds but what opium was hidden some place about the premises. A number of pipes, ash trays and opium ashes were secured, but they were unable to find any opium.

#### KNEE INJURED IN

#### CHASE AFTER TEAM

Mr. Charles Eysagrad was the victim of a severe accident yesterday morning as he was just starting to work. He was walking on the ground driving his team with a load of wood. The team took fright and started to run. In attempting to stop them Eysagrad was thrown against a barrow which was standing in the field. In falling on the barrow his knee caught one of the barrow teeth, and inflicted a severe injury. He is now confined to his bed, but nothing serious is expected from the injury.

Who Robbed Him—Sum  
of \$120 Was Spent

FULLERTON, Feb. 14.—Frank Elias, the Mexican, aged 20, who robbed Joe Morales Sunday of \$300 while the family was away from home visiting, was captured yesterday in San Bernardino. The sum of \$240 which he still had on him, and which he had not spent, was regained.

Morales went to Los Angeles early Monday morning and traced Elias to San Bernardino and there he was found eating at a cafe with a friend. Since Sunday he had spent \$120 and besides a few clothes the rest of it went for drink.

The \$240 was taken from him by Morales and the officers who accompanied him and he was put in the San Bernardino jail to await trial.

Like every other portion of the body, they receive all their nourishment from the blood, and the only logical and effective treatment is to purify the blood and build up the circulator. ### CIVIC BODY HELD BANQUET

Anaheim Board of Trade Mem-  
bers Heard Good Booster  
Speeches

ANAHEIM, Feb. 14.—A large number of the Anaheim Board of Trade sat down at an 8 o'clock banquet last night in the Odd Fellows Hall. The banquet was prepared by the Rebekahs. After the banquet a number of prominent boosters addressed those present. Homer G. Ames, city attorney, presided as toastmaster, in place of Charles Eysagrad, who sustained a severe accident yesterday morning while working on his place. C. C. Chapman was the first speaker of the evening, and he was to choose his own subject. His subject was: "What a factor the Board of Trade of any town is in building up a town in the way of securing large industries and factories, as well as making civic improvements." He explained that the duty of the Board of Trade was to build the town up in a social way by making it more helpful to the working class, by providing means for their entertainment. He said he didn't believe there was another city in the United States that was growing any faster than Anaheim, and from an educational standpoint it was second to none.

F. C. Krauss was the second speaker, and his subject was "The Upbuilding of a Town." He outlined the difficulties of building up a town. Mr. Krauss is just a newcomer to Anaheim, and his talk was from a newcomer's viewpoint. His talk was appreciated and enjoyed a great deal by all.

S. C. Harriman spoke on "The Municipal Boy." The essence of his speech was the advisability of a city providing a suitable place for the young man, i. e., environments, etc. Herman Stern's "Looking Backward" was filled with wit and humor, and his recital of some of the incidents of the last eighteen years created a great deal of merriment.

Phillip H. Krick on "Looking Forward" gave the possibilities of Anaheim in the way of development and said her future was unlimited.

J. Frederick Ahlborn spoke on "The Panama Canal," showing how we would profit from the large increase in trade from the opening of this canal, and wondered if the people realized just what this would mean in increased population.

Prof. Culp of the high school, pleaded in favor of a Y. M. C. A. for Anaheim, saying that \$2400 was raised in two days that they had worked, and all that was needed was more money and a location. He asked them to turn out at a public meeting which was to be held in the opera house Feb. 21. A location and more money was needed, and at this time this will be discussed.

F. F. Gies on "Needed Civic Improvements" was an interesting speaker.

The music was furnished by the ladies' quartette of the high school.

### SIX JOLLY MAIDS

### TO GIVE A DANCE

ANAHEIM, Feb. 14.—The young unmarried men of Anaheim will have an opportunity of their lifetime tomorrow (Wednesday) evening to have a good time when the girls, known as the "Six Jolly Maids," is going to give a leap year dance. The dance is to be held in the Opera House Hall, and it is to be decorated in hearts, posters suggestive of leap year. Also pepper buns will be used in beautifying the hall. Although the dance is to be held on St. Valentine's evening, it is not to be a St. Valentine's dance, but a leap year dance entirely. The young men will be expected to call for the girls, but after they reach the hall the girls will take things in charge and they will ask the young men to dance with them. It is said there will be much of an opportunity for the latter to be well-dressed for there will be plenty of girls present to make it interesting for them. The dance is being given by the "Jolly Six Maids" who are, the Misses Alma Yoern, Blanche Mickle, Elizabeth Yoern, Mable Gade, Clementina Backs and Olga Wiperman.

### AT THE COURT HOUSE

## BIG CONTEST IS STARTED

A contest within a contest was signaled today when T. A. Winbiger, public administrator, as administrator of the estate of Thomas Devonshire brought suit to quiet title to forty acres of land, worth \$25,000, in the Kraemer tract, Placentia. The defendants are Arthur Roy McDougal, E. H. and D. F. Marcell, G. W. and Nellie Arper, N. F. Brady, Thomas Strain, Jr., and E. H. Markel as administrators of the estate of Lucy Devonshire.

When Mrs. Devonshire committed suicide on July 7, 1910, a grandson, McDonald, claimed the estate, asserting that Devonshire had given it to Mrs. Devonshire in trust for him; and she had destroyed the papers showing that trust. The Markels and Arpers fought for the estate as heirs of Mrs. Devonshire, lost in the superior court and are preparing to appeal. Now comes the public administrator claiming that the entire estate belongs to the heirs of Devonshire, Scarborough & Forgy represent Winbiger.

### Lusted Is Winner

Judge Crowe yesterday gave judgment for R. D. Lusted against E. F. Wickersheim. Lusted had a trade with Wickersheim in which Lusted gave real estate, and Wickersheim, among other considerations, an automobile. Lusted declared the automobile was not up to representations, declared the trade rescinded and sued for \$2500.

### Suing David Hewes

Suit for \$2394.75 damages was begun today by J. D. Dickinson, with Scarborough & Forgy, attorneys, against David Hewes, the El Modena anchor. Dickinson asserts that while employed by Hewes on Nov. 25, 1911, a team of poorly broken, balky, dan-

gerous horses tipped over a load of hay on which Dickinson was riding, and broke Dickinson's leg. Dickinson wants \$2000 for his injuries and the remainder for hospital bill and other expenses.

### Shows Partnership

A certificate of co-partnership in the Orange County Wine Co., filed today, shows the partners to be J. W. Walls, Anaheim; Erwin Bayha, Yorba; U. W. Hall, Newport Beach; Pierre Nicolas, Fullerton.

### Appeal Is Taken

An appeal from Justice Fullerton's court was taken today by O. C. Overman and J. S. Futrelle, who sued A. M. Wilson for \$120 commission on a real estate deal. Wilson got judgment at Orange.

### Charge Dismissed

On the request of the complainant, A. I. Stewart, the charge of assault with a deadly weapon against Rollo Kellogg of Placentia has been dismissed. Kellogg attacked Stewart with a knife.

### NOT SALTS, OIL OR PILLS BUT CASCARETS

No Odds How Sick Your Stomach; How Hard Your Head Aches or How Billous—Cascarets Make You Feel Great.

You men and women who somehow can't get feeling right—who have an almost daily headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, easy, disordered stomach, or have backache and feel all worn out. Are you keeping clean inside with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil? This is important.

Cascarets work while you sleep, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system all the decomposed waste matter and poison in the intestines and bowels.

A Cascaret tonight will straighten you out by morning—a laxative box from any drug store will keep your entire family feeling good for months. Don't forget the children. They love Cascarets because they taste good—do good—never gripe or sicken.
